

Statement of Inclusivity

Coalition for Appropriate Transportation (CAT), offers its services to and welcomes all members of the Lehigh Valley (Lehigh and Northampton Counties) without regard to race, color, religion, gender, gender identity or expression, sexual orientation, national origin, immigrant status, genetics, mobility/disability, age, trauma history, income or veteran status.

CAT is a 501(c)3 non-profit organization committed to providing resources & education in support of human-powered and mass transportation, including: walking, bicycling and public transit, the most basic methods of conveyance that preserve our air quality, health and enjoyment of our community.

Respectfully,
Scott Slingerland, Director
