

Possession of Firearms on CAT-Coalition of Appropriate Transportation Property

Ensuring a safe environment and preventing workplace violence is of paramount importance to CAT. Firearms inside the workplace pose a potential threat to the safety and security of our employees, clients, and volunteers. Except for the law enforcement exceptions noted below, firearms of any type are strictly prohibited inside CAT's facility and at events sponsored by CAT. All visitors to the CAT facility are strictly prohibited from carrying firearms inside the facility—this includes off-duty law enforcement.

Law Enforcement Exceptions:

1. On-duty law enforcement, in performing their duties, may carry their firearm inside CAT's facilities.
2. On-duty law enforcement when dropping off donated bicycles at the CAT facility, may carry their firearm.
3. On-duty law enforcement may carry their firearm inside the CAT facility with the approval of the Executive Director.

Policy approved by CAT Board of Directors, revised 6-19-2023.
