

# Waterways on Wheels: Lehigh River Bike Tour

Take a family-friendly bike tour with CAT and Penn State Extension's Master Watershed Stewards along the Lehigh River, connecting the river with local history and the D&L Trail!

September 29, 2024

10am-1pm

(raindate: Oct 13)

Begins/ends at Scott Park in downtown Easton (130 Larry Holmes Drive, Easton, PA)

FREE Registration open through 9/27.

Register online:

<https://extension.psu.edu/waterways-on-wheels-lehigh-river-tour>

**About the Event:** Join Master Watershed Stewards in partnership with CAT-Coalition for Appropriate Transportation for a 7 to 10-mile bike tour along the Lehigh River from Scott Park in downtown Easton to Hugh Moore Park. Guided bike ride, riverside watershed demos, and LUNCH are provided!

The ride will offer various stops along the D&L (Delaware & Lehigh) Trail to learn about the watershed, life within in the Lehigh River, and local history. Lunch will be provided on the National Canal Museum patio. Restrooms and water refill stations are available before returning to Scott Park. Trail surface is generally paved with some gravel sections.

**Cost:** FREE (online registration open thru 9/27 – space is limited)

**More Info:** The tour will last about 3 hours and begins with sign-in and bike safety checks. Bring your own bicycle. Helmets are required. Please bring a bottle of water with you. Any questions email [cat@lvcat.org](mailto:cat@lvcat.org) or [conservation@delawareandlehigh.org](mailto:conservation@delawareandlehigh.org)

## Organizing Partners:

Thanks to the generous support of the Delaware and Lehigh National Heritage Corridor's Take Action Campaign, this event is free to the public.
